# WORLD HERITAGE SPEICHERSTADT

Located between the Deichtorhallen and the Baumwall, you can find the centenary Speicherstadt – the worldwide largest warehouse hall complex.

Together with the former coffee exchange hall, the hotel offers an outstanding location for all kind of events.

The place where once spices from all around the world, green coffee, tea and carpets were stored and traded, was nominated to a UNESCO World Cultural Heritage in July 2015.

Together with the former coffee exchange, the AMERON Hamburg Hotel Speicherstadt, the first and only Hotel in the Speicherstadt, offers the perfect historical and

at the same time modern setting for your event.

Since 1887, the historic coffee exchange hall was together with New York and Le Havre one of the world's largest coffee exchange places.

Today the "Börsensaal" is one of the most historical event locations in Hamburg.
